HOW MYSSA™ CAN SUPPORT YOUR SHOOTING ORGANIZATION

The Missouri Youth Sport Shooting Alliance encourages your organization to host its own fund raising activity. For one fund raising event for your MidwayUSA Foundation endowment, MYSSA will provide additional support as described below. Limited funds are available this year, apply early to assure support.

The maximum amount MYSSA will match from your organization will be \$1,000.

After your fund raising activity, send your check (up to \$1,000) to MYSSA and we will add matching funding to your endowment. In turn, we will forward the total amount to the MidwayUSA Foundation where your original fund raising will be matched by the Foundation according to their formula plus the MYSSA contribution.

MYSSA will match all fund raising from your Missouri organization 1:1 for 2021. Our offer to match ends when our funding is exhausted.

MYSSA will support one fund raising event for your organization this year.

To receive MYSSA support now:

Send your check payable to MYSSA and the required information form (reverse) to the address listed.

Any organization may send their fund raising directly to the MidwayUSA Foundation and receive matching funds, but will not receive any additional support from MYSSA.

Notice:

In the event that MYSSA has remaining endowment support funds after December 15, the remainder will be equally divided among all qualified teams who received funding from MYSSA during 2021.

Your request for matching funds sent to MYSSA must be a minimum of \$500 and the maximum is \$1000.
